ROSY FUTURE IS DEPICTED BY JOHNSON

Astronaut John Glenn Says His Bandwagon Is Really Rolling

By HASKELL SHORT
United Press International
COLUMBUS, Ohio (UPI) — Former astronaut John H. Glenn's political bandwagon "was really rolling."

And while there was agreement his rocket had bruised a lot of important Democratic shins in his first blastoff in politics, even some of his opponents called him another Eisenhower and warned the party not to attach weights to the famed spaceman.

The Buckeye State native in his fourth day in politics watched his troops kayo the Ohio Democratic organization. They battered it into the awkward position of denying support to Sen. Stephen M. Young, who had been on the scene, making it clear he wanted, expected and intended to get the party's endorsement.

Glenn's support of the organization saw him winning support of more than 70 of the state's 88 counties. His aides said this showed he had widespread popular support, even though some Democrats joined Republicans and some newspaper writers who said little was known about Glenn's political philosophy.

The spaceman's fight against the 75-year-old Young in the May 5 primary and, if he is nominated against the Republican senatorial candidate in the fall contest, probably U. S. Rep. Robert Taft Jr., who would make the Ohio senatorial campaign one of the most closely watched in the country.

Taft, whose name is as well known in politics as Glenn's in space, is favored to beat Secretary of State Ted W. Brown, winner of six statewide elections, for the GOP nomination.

Rep. Wayne Hays of Belmont County, chief lieutenant in Glenn's campaign, said that although the convention's decision not to endorse any candidate was relatively close, a number of delegations which stood with Young's camp to get an endorsement would have bolted to endorse Glenn.

Hays said the Glenn partisans did not want anyone endorsed because "we didn't want to humiliate Senator Young. But we think the mood out there on the floor showed about five out of every six active Democratic workers in Ohio would rather have John Glenn instead of Steve carrying the party banner this fall."

Local theatergoers will have an opportunity to see one of Spain's most popular and exciting song-and-dance companies when Jose Molina's Bailes Espanoles appear at the Murray State College Auditorium Thursday, Jan. 23.

The handsome young company of ten Flamenco dancers, singers, and instrumentalists scored a spectacular overnight success when it premiered in Washington, D. C., in May of 1962. Critics there acclaimed it "the most dazzling display of Flamenco fireworks this city has seen in many a season" and predicted that it was "destined to become the No. 1 Flamenco song-and-dance company in the U. S."

A year later, when the company returned to Washington for a second visit, the Washington Evening Star critic wrote, "With those who know Flamenco dancing best, it's Jose Molina all the way!"

Word of the new company has swept the country, and engagements have been played from Montreal to Honolulu and from the Mexican border into all five provinces of Canada. And of the 107 auspices who played this show during its initial U. S. tour, all but four re-engaged the company for return appearances this season.

A forty-week tour has been set for the Molina company this year — the longest ever played by a Flamenco dance company in a single season in the history of U. S. show business.

The new program consists of songs and dances from all of the Spanish provinces, from the court of Charles III, from the great Spanish operas

and ballets, and from the Spanish gypsy camps. There are even some works by non-Spanish composers, such as Ravel and Rimsky-Korsakov, thrown in for good measure. Costumes for the production were designed in Madrid by Spain's foremost designers and are appraised at \$80,000.

Jose Molina's Bailes Espanoles will be presented here under the auspices of Murray Civic Music Association.

Message To Congress Brims With Optimism, Election Significance

By JOSEPH D. HUTNYAN
United Press International
WASHINGTON (UPI) — President Johnson today sent Congress a \$97.9 billion "economy and progress" budget brimming with optimism and radiating election-year significance.

Johnson proposed cutting federal spending \$500 million under current level in the new 1965 fiscal year, marking only the second time in nine years this has been done.

But he said his budget "would advance our nation toward greater national security, a stronger economy and realization of the American dream of individual security and equal opportunity for all."

The President also predicted that the Treasury would wind up \$4.9 billion in the red next year compared with \$10 billion for the current fiscal year ending June 30.

He emphasized that all his planning was contingent on early passage by Congress of the \$11 billion tax cut bill and the stimulus it is expected to give the economy.

Cut Defense Budget
Johnson also assumed that Congress would go along with a \$1.2 billion slash in defense spending and give him new cotton and dairy programs to help save another \$1.6 billion.

Either—or both—of these assumptions could be upset by some new international crisis.

Johnson forecast continued uneasy peace or by the refusal of the Christian Churches (Disciples of Christ) of India.

E. Tennessee OVC Threat Here Tonight

By United Press International

An East Tennessee team that may be turning into a title threat after solving early season organizational problems plays at Murray in an Ohio Valley Conference game tonight that tops a slim card for Kentucky college teams.

The only other Kentucky game on the evening's schedule has Belmont playing at Campbellsville. Austin Peay plays at Tennessee Tech in another OVC game.

East Tennessee wasn't regarded as too strong a threat until the Bucs upset league-leading Eastern Kentucky Saturday night, 88-83, on Willie Malone's two free throws after the clock had run out on an overtime period.

Malone also had canned a free throw just before the end of the regular game to tie the score.

In all, he netted 27 points. It proved that as the 5-10 senior guard goes, so go the Bucs, for he appears to be the "natural" leader they have needed.

East Tennessee goes into tonight's game with a 6-4 record over-all, but holds third place in the OVC with a 2-1 mark, while Murray is 2-2 and in danger of elimination from the title chase if it loses tonight.

A glance at conference statistics is enough to disclose what makes East Tennessee tough. The Bucs lead the loop in defensive average, holding opponents to 67.1 points per game and in rebounding, with an average of 55 per game.

The individual statistics, incidentally, show Morehead's Harold Seren leading the scoring race by a wide margin, with 18.3 points per game average. Western Kentucky's Darel Carrier is second at 23.2 points per game. Jim Jennings of Murray is the league's leading rebounder, with 15.3 grabs per game.

Centre's increasingly tough Colones rolled over Transylvania in a Monday night contest, 97-79, while Cumberland lost to Huntington of Alabama, 88-79.

Sandy Koufax

was presented with a \$10,000 diamond-studded, gold-buckled belt Monday night, as the winner of the 14th annual S. Rae Hickok "professional athlete of the year" award.

Koufax, who recovered from a mysterious finger ailment in 1962 to post a 26-3 record last year and add two more victories in the World Series' sweep over the New York Yankees, was honored with the biggest victory margin in the history of the Hickok award.

The 28-year-old Brooklyn native received 106 of a possible 125 first-place votes for a total of 344 points. He easily out-distanced football star Y. A. Tittle of the New York Giants, who gained nine first-place ballots and 158 points.

Gulfer Jack Nicklaus was third with one first-place vote and 78 points and Jimmy Brown of the Cleveland Browns was next with five first-place votes and 61 points.

The four other selectors cast their first place votes for golfer Julius Boros, who finished fifth; Oscar Robertson of the Cincinnati Royals; bowling's Dick Weber, ninth; and boxer Joey Giardello, 10th.

Auto racer Parnell Jones finished seventh in the voting and hockey star Gordie Howe was eighth.

Top Rated UCLA Enjoying Big Lead; Expected To Stay 3 Weeks

NEW YORK — Unbeaten UCLA, enjoying the most comfortable lead of any top-ranked college basketball team this season, was a strong candidate today to remain in first place for at least the next three weeks.

Couch John Wooden's Bruins, who Monday were rated No. 1 by the United Press International Board of Coaches for the third consecutive week, get a boost from the scheduled arrangement until Feb. 7.

Wooden's speedballs will be busy in the classrooms with final exams this week and won't return to the basketball court until Jan. 31 in the first of two strictly tune-up matches with small college neighbor, the Santa Barbara branch of the University of California. UCLA's

next major college opponent is California, Feb. 7.

The top six teams in the standings remained unchanged from last week's rankings, but the top 10 did welcome its first new member in a month, Wichita, in eighth. Villanova advanced from 10th to seventh.

UCLA received 32 of the 35 first-place votes and boosted its point total to 346, just four points short of a perfect 350. Kentucky, ranked fourth, received two ballots for the No. 1 spot and Davidson, only a point behind Kentucky in fifth, was awarded the other.

Loyola of Chicago, No. 2, dropped 90 points behind UCLA and third-ranked Michigan climbed to within six points of the Bruins in third place. Vanderbilt completed the "solid six" in the No. 6 position.

Duke continued to hold ninth and Oregon State, upset by Oregon Friday night before gaining revenge Saturday, dropped from seventh to 10th.

The ratings are based on games played through Saturday, Jan. 18.

Wichita has won seven consecutive games and has five victories in a row in the tough Missouri Valley Conference to account for its resurgence in the ratings. Villanova has beaten its last eight opponents and owns a 12-1 record.

leg leads the Ohio Valley Conference in both the standings and average points, according to OVC statistics released Monday.

Morehead, with a 3-0 record in official conference play and a 6-2 record over-all, averaged 95.5 points per game in its eight games so far this season.

Listed second in the weekly standings was Eastern Kentucky with a 3-1 conference record and 9-3 for all games.

East Tennessee ranked third with a 2-1 conference standing and 6-4 over-all.

Murray College, with a 2-2 OVC, ranked fourth, followed by Tennessee Tech, Western Kentucky, Middle Tennessee and Austin Peay.

Morehead's Harold Seren took first place in individual scoring with a total of 242 points in eight games, averaging 30.3 points. Second place went to Western Kentucky's Darel Carrier at 26.2.

Douglas Will Play Princeton Tonight

Douglas Elementary School will meet Princeton Dodson tonight at 7:30 at the Douglas gym. Admission will be 60¢ for adults.

Dodson has a 12-year old boy who is 6'4" tall who is expected to give Douglas plenty of trouble. Douglas has an 0-3 standing for the season.

THE DEPENDABLES: SUCCESS CARS OF '64

Heard about Dart's new V8? It's getting around fast!

Hot is the term that describes engines with more than adequate performance. It describes Dart's 225 cu. in. Six exactly. This Six has been more than a match of other compacts' extra cost engines. So why a new V8? We wanted to do something special for the guy who never quite got sports cars out of his system. And here it is! 273 cubic inches of bold V8 vigor.

Cat-quick from a stop. Plenty of reserve for highway passing. This responsive power plant turns regular gas into premium gusto. Prove it! Just nudge the pedal toward the carpet, and you've got the answer—real quick! And isn't it just like Dart to give you more action. Dart already gives you more room, comfort,

luxury and luggage space than more than a few other compacts. And with Dart you also get a long, strong 5-year/50,000-mile warranty* (There goes Dart... giving you more again!)

*THE DEPENDABLES GIVE YOU 5 YEAR 50,000 MILE PROTECTION—Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months has the car to such a dealer evidence of performance of the required service, and receives the dealer to certify (1) receipt of each service and (2) the car's then current mileage.

DEAR ABBY: I was taught not to kiss a boy on the first date. When Ron took me to the door he went to kiss me, so I turned my head. Then he said, "Don't you think I deserve a kiss for taking you out?" I didn't know what else to say, so I said, "I guess so, but make it snappy." He kissed me but he didn't make it very snappy. I didn't enjoy it much because I felt cheap. If this happens again, what should I say?

DEAR SEVENTEEN: Say, "My kisses are not for sale. I thought you asked me out because you enjoyed my company."

Last Call for Desserts

Season Of Lent Is Just Ahead

By JOAN O'SULLIVAN
CHRISTMAS seems barely behind us, yet Easter is just ahead. It's early this year — March 29th — for the Lenten season begins next Wednesday, February 12th. For those who will be abstaining from sweet treats during Lent, we present a trio of recipes, a last call for desserts until Easter.

RASPBERRY PEACH CREAM
2 (10 oz.) pkg. frozen raspberries in sugar syrup, defrosted
1 (12 oz.) pkg. frozen sliced peaches in heavy syrup, defrosted
1/2 c. sugar
2 c. (1 pt.) dairy sour cream
3 tbsp. (3 envelopes) unflavored gelatin
1/2 c. cold water
Drain fruits, reserving juices. Force fruits through fine sieve; add sugar and sour cream; mix well. Soften gelatin in fruit juices and water; heat slowly over low heat, stirring until gelatin dissolves. Add gelatin to peach-raspberry mixture; mix well. Pour into 6-c. mold. Chill until firm.

Unmold and garnish with whipped cream and additional fruits, if desired. Serves 8 to 10.
MOLASSES UPSIDE-DOWN CAKE
2 tbsp. butter
1/2 c. unsulphured molasses
6 canned pineapple slices, cut in half
6 maraschino cherries, cut in half
Pecan halves, optional
1/2 pkg. cake mix
Preheat oven to temperature that is directed on the

FLORIDA ORANGE COFFEE LOAF is a sweet treat that can be enjoyed from morning to night. Toast a slice for breakfast. Serve it during a coffee break or with tea.

cake mix package. Combine butter and molasses in 8-in. square baking pan. Place in oven until butter melts, about 5 min. Remove from oven; arrange halved pineapple slices, cherry and pecan halves in rows in "molasses" mixture. Prepare cake mix according to pkg. directions for 1 layer; spoon over fruit mixture. Bake in preheated oven 35 to 40 min. Insert probe on serving plate immediately. Cut into squares when cool.
Makes one 8-in. square cake.
FLORIDA ORANGE COFFEE LOAF
2 tbsp. butter or margarine, melted
1/2 c. Florida orange juice
2 tbsp. grated orange rind
1/2 c. finely cut dates
1/2 c. coarsely chopped pecans
1 c. sugar
1 egg, slightly beaten
2 c. sifted all-purpose flour
1 tsp. baking powder
1/2 tsp. baking soda
1/2 tsp. salt
In mixing bowl combine butter, orange juice, rind, dates, nuts, sugar and slightly beaten egg. Sift in flour, baking powder, baking soda and salt. Mix well. Turn into greased loaf pan, 9 x 5 x 2 1/2 in. Bake in moderate oven, 350° F., 50 min., or until done. Remove from pan; cool on wire rack. Makes 1 loaf.

RASPBERRIES, peaches and sour cream are among the ingredients that make this molded gelatin dessert very good.

A GLAMOROUS GLAZE of unsulphured molasses and melted butter adds to appeal of this Upside-Down Cake.
